The Hat Luncheon & Auction is our organization's major fundraiser and we need your help! **This year, we honor "The Spirit of Entrepreneurship and Community Service"** for this annual recognition of the Faces of Hope Honorees.

With your support, WAAW can continue to offer a variety of programs to strengthen the social, professional and quality of life opportunities of its participants. Some of the services offered include: A community technology lab for computer classes, job training for senior adults, in addition to dance, arts and theater programs that currently meet and rehearse weekly at little to no cost to them. WAAW organize an annual open house and invite the community to come see what we have to offer and our annual Kwanzaa Celebration to kick off the year is always a favorite and a huge success!

In the past year, WAAW has hosted many community events sponsored by businesses and nonprofit entities that see this organization as a viable resource in this community and in the City of Milwaukee.

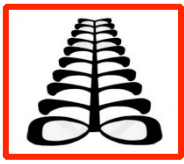

Looking ahead, we plan to partner with many co and businesses to expand the services provided by or utilized at the center.
